

## OUR HOSPITALITY IS BUILT ON YOUR PERSONALITY

Mecca has a growing reputation as the meeting place for great food, great coffee and service that makes customers feel welcome. Our commitment to quality in everything we do creates the type of environment that people enjoy being part of and want to return to. None of this is possible without exceptional staff to put the vision into practice and ensure that Mecca becomes the place of choice for customers who appreciate the best food with service to match.

### CHEF

This is a role that demands a passion for cooking, pride in the food being served and a good understanding of customer service. You will have some formal training or qualifications, with experience in a 2<sup>nd</sup> chef or similar role. We offer an opportunity to develop your skills to lead one of our teams in the future, working with well established systems, both in the kitchen and front of house.

Positions are available in both our City and North Shore Locations. If you are interested in joining our team, please forward a copy of your CV and a covering letter to: [andrew@meccacafe.com](mailto:andrew@meccacafe.com)
